IT’S NOT ANOTHER MAGAZINE ABOUT INTERIOR DESIGN!

FEATURING: Interiors technology | Electronics | Infotainment | Connectivity | Concepts | Future environments | Comfort | Testing and development

Media and Advertising Data 2020
www.AutomotiveInteriorsWorld.com
The magazine
Automotive Interiors World is the industry’s premier biannual celebration of automotive interiors that expresses current and future technologies, next-generation design concepts, key industry trends and developments.

FEATURING: Interiors technology, electronics, infotainment, connectivity, concepts, future environments, comfort, testing and development

AUTOMOTIVE INTERIORS WORLD DELIVERS:
Interviews, manufacturer case studies, technical innovations, industry opinions, products and services

Automotive Interiors World is distributed to a carefully targeted circulation spanning over 50 countries worldwide with 15,000+ copies sent free of charge to chief designers and engineers, product directors, brand managers, purchasing directors, project coordinators, consultants and senior level decision makers within the world’s automotive Tier 1, Tier 2 and Tier 3 suppliers and car manufacturers. A fully interactive digital version of the magazine is also available via our website. The magazine benefits from additional distribution at Automotive Interiors Expo – Stuttgart, Germany, and Automotive Interiors Expo – Novi, Michigan, USA.
